

Pregnancy and Infant Loss Remembrance Day

01

Pregnancy and Infant Loss Remembrance Day is October 15th. This day is in remembrance for pregnancy loss, infant death, miscarriage, stillbirth, SIDS and the death of a newborn. Please click on the link to find an event in various cities across Canada.

02

Diaper Drive Awareness Week

CAPWHN's 3rd National Diaper Drive for Diaper Needs Awareness Week (DNAW) is here! Sept 23-29, 2019. See the attached flyer for more information. Grab your colleagues and start a collection drive! Don't forget to email us (sdore@mcmaster.ca) your pictures to share at the CAPWHN conference! Let's continue to help families in need across the country.

National Oxytocin Shortage

03

Currently Canada is experiencing a national shortage of oxytocin injectable. Many health centres are surveying their stock and looking at ways to prioritize the shortage. At this point it is estimated to be at least until mid November.
