

**INSTRUCTOR(S)
NESA BACHELOR OF NURSING PROGRAM
FULL-TIME CONTINUING**

Lethbridge College invites applicants to apply for full time continuing positions within the Nursing Education in Southwestern Alberta (NESA) program. The NESA Bachelor of Nursing Program is seeking individuals who strongly support the education of students and who have a strong passion for nursing.

The ideal candidates are collaborative, innovative and active participants within the nursing faculty and the Centre for Health and Wellness in achieving teaching excellence and supportive of student's success. The successful applicants must demonstrate lifelong learning, demonstrate interest and participation in the goals and objectives of the program and Lethbridge College.

Key Responsibilities:

- Clinical teaching of nursing students in maternal child/pediatrics, and/or medical-surgical settings providing supervision and mentorship, with opportunities for teaching in classroom and lab settings
- Seeks excellence in teaching by applying and evaluating various teaching strategies
- Encourages and fosters an environment of inquiry valuing evidence-informed practice
- Engages as a member of a larger faculty team in the development and implementation of effective teaching strategies and initiatives
- Participate in scholarship of teaching and learning and/or Applied Research activities

Qualifications:

- Minimum of 5 years recent acute clinical experience and minimum 3 years clinical teaching experience in the above identified nursing areas preferred
- Master's degree required for full-time continuing instructor position
- Eligible for/Current CARNA Registration
- Position may include day travel to rural hospitals

Salary: Commensurate with education and experience in accordance with the current Faculty Collective Agreement.
