

### **We have an exciting opportunity for a Full-time Staff Nurse in Campbell River.**

We are looking for an energetic professional to provide professional nursing care to clients as a member of a multidisciplinary team, and who is responsible and accountable for coordinating and administering direct client care utilizing the nursing process. The Staff Nurse would provide direction to auxiliary personnel and staff, and responds to emergency situations to safeguard clients, visitors and staff.

This position is on a combined maternal child unit, caring for both pediatric and perinatal patients.

#### **Qualifications:**

- 1. Registration with BC College of Nursing Professionals as a practicing RN registrant.
- 2. Up to one year of recent related experience or an equivalent combination of education, training and experience.
- 5. Current Fetal Health Surveillance and Neonatal Resuscitation.
- 7. ENPC, PALS or PEARS an asset to working in Paediatrics.
- 4. BCIT Perinatal Certification or equivalent experience and knowledge.
- 3. Basic Life Support, Level C and post-basic education for clinical areas.
- 6. Paediatric certification and / or experience is an asset (willingness to train, orientate and work on Paediatrics is required).
