Committees looking for membership

Two of our committees are searching for membership. If you interested in joining please fill out an expression of interest on our new website under core committees.

Clinical Practice Committee

This committee will respond to the member's request for education resources related to certification and other topics of interest. These may be e-modules, guideline development or review, and other materials as required. There is a core group of committee members that will oversee the development of the material. Call for additional members will be based on expertise and interest in specific topics.

Communication and Visibility Committee

This committee will facilitate communication with members and colleagues using electronic messages and social media. Communication topics will include CAPWHN activities and opportunities, new clinical and research information, web site updates and member updates.
