## Registered Nurse - Perinatal Trail, British Columbia

Put your Perinatal Nursing skills into full motion and join the passionate and welcoming nursing staff at Kootenay Boundary Regional Hospital, in the beautiful community of Trail.

We incorporate a Family Obstetrics Clinic within our department and our supportive team of physicians, nurses and midwife provide prenatal support to expectant Mom's throughout their pregnancy so that when they are ready to deliver, we have an established relationship with them and they are familiar with our department and facility. After our new Mom's leave our facility, we offer outpatient support for them and their babies in collaboration with Public Health.

We have an active maternity unit where our nurses cover labour & delivery, postpartum and nursery caring for neonates greater than or equal to 34 weeks gestation. We see about 250 deliveries a year in our maternity/pediatric ward and our nurses work 12 hour shifts with a bonus of optional on-call shifts available at overtime rates.

**This position may qualify for a \$10,000 signing bonus.** Apply today to join our team in Trail!

### Qualifications

- Graduation from an approved School of Nursing with current practicing registration with British Columbia College of Nurses and Midwives (BCCNM).
- Advanced preparation in a Perinatal clinical specialty or an equivalent combination of education & experience.
- Current Fetal Health Surveillance.
- Neonatal Resuscitation Program (NPR) within 2 years.
- Cardiopulmonary Resuscitation (CPR) within 3 years.
