Registered Nurse - Perinatal Trail, British Columbia

Put your Perinatal Nursing skills into full motion and join the passionate and welcoming nursing staff at Kootenay Boundary Regional Hospital (KBRH), in the beautiful community of Trail. KBRH is looking for a self-directed, motivated and reliable nurse who wants to work alongside a strong team to expand their nursing practice and skills set. We support ongoing cross training between maternity, peds and nursery as we are a combined unit.

**** This position may qualify for a \$10,000 signing bonus. Contact Kailee.Thorne@interiorhealth.ca for further information.****

What will you work on?

On Kootenay Boundary Regional Hospital's Maternal Child unit, you will have the opportunity to work with Antenatal, Intrapartum, and Postpartum patients and families. We are a combined unit that also has a pediatric department and NICU, and we also care for off service Medical/Surgical patients based on operational requirements. The position offers diversity and the ability to work with a variety of patient populations.

How will we help you grow?

We provide a collaborative team approach with all members of our interdisciplinary team. We will provide you with an orientation and one on one with our regional perinatal educator to assess your needs, and determine how we can best support you. As a member of our team, you will have access to educational opportunities such as MoreOB events, ilearns, in-house training.

Qualifications:

- Graduation from an approved School of Nursing with current practicing registration with British Columbia College of Nurses and Midwives (BCCNM)
- Advanced preparation in a Perinatal clinical specialty or an equivalent combination of education & experience
- Current Fetal Health Surveillance
- Neonatal Resuscitation Program (NPR) within 2 years
- Cardiopulmonary Resuscitation (CPR) within 3 years
