## New Career Opportunities for Perinatal BC Interior

We are seeking Perinatal Nurses to join our incredible teams at various sites throughout Interior Health. We are looking for individuals who bring effective problem solving skills, are highly motivated, and can work well in a team environment. Does this sound like you? If so, apply today!

The Perinatal Nurse practices in a perinatal clinical setting and is responsible for the assessment, planning, implementation and evaluation of client care. Working in collaboration with the interdisciplinary team, the Registered Nurse ensures the delivery of client-centered care by assisting individual clients and their families respond to changing health care needs. The Registered Nurse demonstrates a specialized body of knowledge and bases practice on nursing science and related content from other sciences and humanities.

Nursing staff work in all areas. Our typical nursing schedules are based on 12 hour shifts and include Days and Nights with rotating days off.

Joining one of our IH teams will allow you to challenge yourself professionally while enjoying all the personal pursuits available to you within the fantastic communities we serve!

### Qualifications

- Graduation from an approved School of Nursing with current practicing registration with British Columbia College of Nurses and Midwives (BCCNM).
- Advanced preparation in a Perinatal clinical specialty or an equivalent combination of education & experience.
- Current Fetal Health Surveillance.
- Neonatal Resuscitation Program (NPR) within 2 years.
- Cardiopulmonary Resuscitation (CPR) within 3 years.
- Any additional education around obstetrical emergencies, such as the ALSO (Advanced Life Support Obstetrics) would be an asset. Experience and/or education in circulating role in C-Section in the OR would be an asset.
