

Registered Nurse - Perinatal Worksite Location is Flexible

We are seeking Perinatal Nurses to join our incredible teams at various sites throughout Interior Health. We are looking for individuals who bring effective problem solving skills, are highly motivated, and can work well in a team environment. Does this sound like you? If so, apply today!

The Perinatal Nurse practices in a perinatal clinical setting and is responsible for the assessment, planning, implementation and evaluation of client care. Working in collaboration with the interdisciplinary team, the Registered Nurse ensures the delivery of client-centered care by assisting individual clients and their families respond to changing health care needs. The Registered Nurse demonstrates a specialized body of knowledge and bases practice on nursing science and related content from other sciences and humanities.

Reasons to Apply at Interior Health

We offer an exceptional employer-paid benefits package including generous vacation entitlement after first year of employment, employer paid health and dental coverage, pension, paid education days, and more!

This position may qualify for up to \$10,000 as a signing bonus and/or be eligible for relocation allowance. Apply today and ask if you qualify!

Come and join us! Our focus is on giving people room to grow, to make an impact in the lives of others.

Qualifications:

- Graduation from an approved School of Nursing with current practicing registration with British Columbia College of Nurses and Midwives (BCCNM).
- Advanced preparation in a Perinatal clinical specialty or an equivalent combination of education & experience.
- Current Fetal Health Surveillance.
- Neonatal Resuscitation Program (NPR) within 2 years.
- Cardiopulmonary Resuscitation (CPR) within 3 years.
- Any additional education around obstetrical emergencies, such as the ALSO (Advanced Life Support Obstetrics) would be an asset. Experience and/or education in circulating role in C-Section in the OR would be an asset.
