About Us

Eastern Health is the largest, integrated health authority in Newfoundland and Labrador employing approximately 13,000 dedicated employees and serving a population of more than 300,000 people. The authority offers the full continuum of health and community services including public health, long-term care, community services, hospital care and unique provincial programs and services. At Eastern Health we pride ourselves on providing the highest quality care and service possible to the people in our communities, in our region, and in the province. To do that, we employ qualified, competent and caring individuals who are dedicated to their professions and to our vision of Healthy People, Healthy Communities.

Job Summary

Registered Nurses coordinate and participate in the delivery of holistic and supportive care to patients/clients/residents by assessing, developing, implementing and evaluating the plan of care. This may include the provision of health promotion, curative, supportive, rehabilitative and palliative services. The position may also provide professional supervision and direction or mentoring to the nursing care team while supporting other members of the interprofessional team to achieve safe and effective care to patients. As well, the position ensures that documentation and nursing policies and practices are followed while working together with families to ensure the highest standard of care is provided.
