

Now Hiring: Perinatal Nurses

Multiple Locations

Interior Health

Are you a dedicated, reliable, and passionate Perinatal Nurse, looking to make a career move? We have multiple opportunities available throughout Interior Health and we want to hear from you!

The Registered Nurse:

- Provides nursing care to patients, both by working independently and as a member of an interdisciplinary team
- Enhances quality of life for the patient and family; consults, confers, and collaborates with other health care providers
- Demonstrates continuous improvement and evidence based practice in nursing practice
- Maintains and advances own clinical competence
- Participates on designated hospital committees/teams and approved research projects as assigned

Some positions may qualify for up to \$10,000 as a signing bonus and/or be eligible for relocation allowance. Apply today and ask if you qualify!

Many of our opportunities offer a range of *employee benefits* and services to support you at every stage of your career:

- Employer paid vacation
- Insurance premiums 100% paid by Interior Health
- Medical Services Plan
- Extended Health Coverage
- Dental Health Coverage
- Pension Plan

Interior Health is an organization where you have room to grow and where life outside of work is just as important to us as it is to you!
